

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

APRIL 2019

GOOD PEOPLE OF TIGER NATION:

Wow, can you believe it is already April. March was something else wasn't it? I want to thank everyone for being so patient and understanding in regards to the Snow Bomb we recently experienced. Severity of Spring storms always seem to be more difficult to gauge.

The old high school building is currently under abatement. Demolition is planned to take place at the end of May. Once this building comes down, the land will be sloped to grade and planted with native seed.

At the March town trustee meeting it was unanimously approved that any new housing development, home, or residential dwelling will pay a fee in lieu of land to the school to help support future growth. This fee in lieu will help the district purchase land and/or develop land that the district will need. Wiggins School District thanks the town for being a great neighbor.

The West Entrance to the building is finally completed. When coming to any event that will take place in "The Linda's Center of Performing Arts", the cafeteria, or gymnasium please park in the West parking lot and enter through the West doors with the white canopy. This will be the event entrance moving forward.
