March 18, 2020

Good People of Tiger Nation:

Due to the mounting concerns of COVID-19, Wiggins School District will be closed to all students until March 31. As of now all schools will be closed until at least March 31st. As a reminder, parents please do not send your child to school if they have respiratory issues, any cold or flu like symptoms.

All communication with the school will be done via email. Please email your child's principal or me for any information you may need.

We will offer both breakfast and lunch for any child currently enrolled in Wiggins School District free of charge. Bagged meals will be available on Tuesday, March 24 and Thursday, March 26 for pickup in the bus loop between 10am and 11am. There will be enough food in each bag to nourish the children for two days. If you can not make it into town the district will deliver meals to any child that lives in the boundaries of Wiggins School District. We would like to get an accurate count of how many meals to make so we are asking any family in need of this service to email Erin Kerr at kerre@wiggins50.k12.co.us to let her know if you would like to pick up your food or if you need food delivered. Please provide an address for delivery. Food delivered will be dropped off at the front door. For safety reasons, the driver will honk as they are leaving the premises.

As of now

- All Spring sports, concerts, and events of any nature have been postponed until further notice.
- All non school related functions scheduled in our buildings have been postponed until further notice.
- Only Wiggins School District Employees will be allowed in the school Until March 31st.
- All state assessments have been canceled.
- The Colorado Department of Education is seeking ways to provide SAT testing to Juniors.

Please know this situation is continuously changing. A March 31 starting date could be extended. Should we extend the date another week or more, information will be relayed no later than Thursday afternoon.

Thank you for your understanding. Stay safe and take care of one another.

Dr. Trent Kerr
Superintendent Wiggins School District RE-50J
