

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

## NOVEMBER 2018

### GOOD PEOPLE OF TIGER NATION:

The safe entry at the elementary is open for use. Please access the front doors when gaining entry into the building. **All guests will be required to present identification upon entering the school building.**

Construction at the new school location is on pace for a January opening. We will be sending out information about an open house to show the building to community members upon completion. These dates will take place in December.

Wiggins School district received its overall performance frameworks based off of 2017-2018 state assessment results. Wiggins's official rating is 71.2 out of 100 which means the Wiggins School District is accredited. The area highlighted for improvement is academic growth in the high school. Staff will work to rectify this area alongside the district accountability team. The area that the district scored the highest on is academic growth in the elementary school, as the students exceeded expectations in this area. Congratulations to all teachers and students on a job well done.
