

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

WELCOME BACK WIGGINS SCHOOL DISTRICT 50J

GOOD PEOPLE OF TIGER NATION:

I hope you had a wonderful summer and are looking forward to an outstanding 2018-2019 school year. As you know the district is still undergoing construction. Due to the construction we will be required to drop students off and enter the buildings in a manner foreign to everyone.

While the safe entry of the elementary school is being built, we ask elementary parents and students to use the south playground gate located near 5th Ave and Main St to access school grounds. Mrs. Harris (Admin Assistant) will have her office space at the south playground door. This is where parents can drop off and pick up their child during the course of the school day.

All busses will drop off Pre-K -12th grade students on the west side of the high school building (Chapman St). We ask parents not to block these spaces in the morning and afternoon hours.

Access to the Event Center for high school volleyball will be through the north doors of the Event Center located at 4th Ave and Curry St.

I have attached a drawing on the back of this page to help you navigate your way around campus until our buildings are fully up and running. Thanks for your attention to these details.

Go Tigers

Superintendent: Trent Kerr

**Registration for all
students**

**August 16th in MS
and Elementary
School Gyms**

8:00am-4:00pm

**Back to School Night
for Secondary**
