

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

OCTOBER 2018

GOOD PEOPLE OF TIGER NATION:

The teachers, staff, administration, and board of education would like to thank all of the parent and community members for being patient and cooperative through the construction process.

Construction at the new school location is on pace for a January opening. We ask all community members to please stay outside of the construction fence at all times other than high school and middle school football games. Parking for football games will be inside the construction zone for **these two events only**.

Construction at the elementary school will hopefully be completed in mid-October. Thank you for your cooperation.

School board meetings are held on the first Wednesday of each month. The board is investigating moving to a four-day school week for the upcoming school year. The school is holding a Community Forum on October 10th at 6PM at the Fire Station (701 Central Ave) to discuss the impact Amendment 73 and Amendment 112 could potentially have on the community and Wiggins School District. There will also be discussion over possibly moving to a 4-Day school week beginning with the 2019-2020 school year. If you would like to learn more, please attend this informational meeting.

***Important Information:* Due to a scheduling change of Homecoming Week we will be moving Parent Teacher Conferences to Monday, October 15th and Wednesday, October 17th.**

Please visit the Wiggins Website, Facebook page and Twitter Feed for updated information.

Go Tigers

Superintendent: Trent Kerr
