

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

## SEPTEMBER 2018

### GOOD PEOPLE OF TIGER NATION:

The teachers, staff, administration, and board of education would like to thank all of the parent and community members for being patient and cooperative through the construction process.

Construction at the new school location is on pace for a January opening. We ask all community members to please stay outside of the construction fence at all times other than high school and middle school football games. Parking for football games will be inside the construction zone for **these two events only**.

Construction at the elementary school will be ongoing through September. The goal of completion is mid-October.

*We thank all of our parents and guardians for taking the time out of your Friday to make sure the reunifications drill was conducted as if it were a real situation. Your cooperation made the drill a success.*

Safety of our students is always a concern, therefore, we ask all parents who drop off and pick up their child to keep a watchful eye out for students crossing the roads.

School board meetings are held on the first Wednesday of each month. The board is investigating moving to a four-day school week for the upcoming school year. The board will be discussing this possible change at every meeting throughout the year. If you would like to discuss this or any other item, please come to board meetings.

**Important Information: Due to a scheduling change of Homecoming Week we will be moving Parent Teacher Conferences to Monday, October 15<sup>th</sup> and Wednesday, October 17<sup>th</sup>.**

**Please visit the Wiggins Website, Facebook page and Twitter Feed for updated information.**
