Welcome Back!

I hope you enjoyed a wonderful summer I also hope you are recharged and ready to start a new school year. I am so delighted that you are part of our amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your students.

All signs point to another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your student(s). Our enthusiastic office team is ordering new materials and updating student files. Our hard working and conscientious custodians have spent the entire summer thoroughly cleaning the facility. Our TPO is gearing up to welcome families, provide volunteer opportunities, and offer other exciting events and programs. We are indeed a caring community with the common goals of nurturing responsible, caring students and promoting high-level learning.

New Staff—Each year brings positive change. This includes a few additions to our staff. We are delighted to welcome Holly Jurgens to 2nd Grade and Krista Schoonveld to 5th Grade. We are fortunate to have these teachers join our team.

Technology Updates—You can expect to see a few technology updates this year. In our classrooms we have 65” interactive TV’s that will be used for lessons and instruction. Our student data management system, Infinite Campus, has some added features including School Messenger and online registration. You can change your settings and information through Infinite Campus Parent Portal.

Construction—We are very excited to watch our new Middle/High School enter the construction phase! For purposes of student safety in a construction zone, a good portion of our campus will be roped off and off limits to vehicles and pedestrians. Please see the enclosed maps for drop-off and pick-up before and after school. Elementary students should all enter the building through the front. Thank you in advance for your patience during the construction phase.

ALL of our staff works hard to make school a positive experience for ALL students. Wiggins Elementary is eagerly looking forward to enriching your student’s learning experience. Thank you for understanding that it can take a few weeks for a student to acclimate to a new grade, peer group, and teacher.

Your commitment to insuring that Wiggins Elementary remains a celebrated and successful school is awe-inspiring. It remains an honor and privilege to serve as your principal. Together, I know we will make this school year one of growth and achievement for all students.

Sincerely,

Tara Boyer
