

Wiggins High School

Registration Requests-10th Grade 2014-2015

Last Name	First Name	Phone #
-----------	------------	---------

Directions:

1. Select courses for the entire school year, and be sure to consider your selections carefully. Check your four year plan, class descriptions, and the course listings on the back of this form for additional help.
2. Math classes need a teacher signature for your selection.
3. Select elective courses to complete your schedule.
4. Select alternative elective courses in case your first choices cannot be filled.

Note: Depending on your previous assessment scores or an existing educational plan, you may be placed in an English, math, or science class you have not selected below. You may also be placed in a reading or math intervention class in lieu of an elective.

Subject	Course #	Course Name	Credits	Teacher Signature
English: It is recommended that you take speech your sophomore year as well as Eng. II-please circle what you plan to	101/102	English II	1	
Math: circle one course number/name	210/211	Algebra I	1	
	204/205	Geometry	1	
	240/241	Algebra II	1	
	206/207	Pre-Calculus	1	
Science: circle the recommended course or write in the course of your choice.	301/302	Biology	1	
Social Science: circle the recommended sophomore course or write in the course of your choice	405/406	U.S. History	1	
Electives: Choose three one credit electives/six half credit electives or a mixture of the two				
Alternative Electives: Choose alternatives to your first
