

Wiggins High School

Registration Requests-12th Grade 2014-2015

Last Name	First Name	Phone #
-----------	------------	---------

Directions:

1. Select courses for the entire school year, and be sure to consider your selections carefully. Check your four year plan, class descriptions, and the course listings on the back of this form for additional help.
2. Math classes need a teacher signature for your selection.
3. Select elective courses to complete your schedule.
4. Select alternative elective courses in case your first choices cannot be filled.

Note: Depending on your previous assessment scores or an existing educational plan, you may be placed in an English, math, or science class you have not selected below. You may also be placed in a reading or math support class in lieu of an elective.

Subject	Course #	Course Name	Credits	Teacher Signature
